My oldest brother and I, April 8, 2017. On this day he was in good spirit. Call me selfish because I hate to see you go. However, if going home means that you no longer have to suffer then I'm at peace with that. I love you big brother!!!

The last day I spent with my brother. A joyous day, he was full of laughs and he told me he had a good time. Be at peace family, before his health failed he gave his life to Christ at an early age and experienced Gods plan of salvation according to Acts 2:38. He's resting in Jesus arms! Love you brother
