Honestly it's been extremely hard on me. I'm going to miss Ant so much.. I was looking at scriptures he use to send me and I'm going to miss his voice on the other side of the phone. I wish I could have 1 more day with him.. That was my big brother and my heart is broken into pieces that I can't explain. I loved my brother ❤️

Uncle Tony you will be missed by many. This is still unreal for me and hard to wrap my head around. I thought we had more time together but God had other plans. I am happy you are resting peacefully no more pain. I admire you for your strength, never complained got up everyday and kept moving despite your health. You were a great uncle to me every since i was a little girl, I can remember you taking me and Kyle to union station or the zoo always had an activity for us to do. You spoke encouraging positive words to me when i needed to hear them most and I thank you and love you for that. It hurts you didnt get to meet your new great nephew how we talked about. As he entered the world Jan 6 you were leaving a few hrs later. Our family is grieving right now but together we will cherish and reminisce the good times. Love you Uncle Tony-Your Niece Raivyn

Tony, my brother and friend, you will be missed! I know a lot of people but you were and will always be a true friend! From the days of playing football in the street, to cork on the playground, to the day you were baptized we always stuck together! I know God is comforting you. Mr and Mrs Dedeaux, Dorthea and Tonya, Tony is resting now! God will bring you all perfect peace! Continue to lean on him. I love you guys! Lando
