Jamar W. Huffmon

MAR 25, 1978 - DEC 6, 2020

Jamar Willie “J-Rocc” Huffmon made his grand entrance on March 25, 1978 in Saint Louis, Missouri. He was the oldest son of Willie and Barbara Huffmon. Jamar grew up in the Florissant area, surrounded by the love of family and friends.

Jamar accepted Jesus Christ at an early age receiving his First Communion from St. Christopher Catholic Church. He attended McCluer North High School his freshman year and transferred to Cardinal Ritter College Prep High School, where he graduated in the Class of 1996. After graduating high school, Jamar attended Southern University and Lincoln University and later enlisted in the U.S. Navy. Upon returning home, Jamar was a licensed and highly skilled barber, and later enrolled in Ranken Technical College, where he received an Associate’s Degree of Technology in Control Systems in May 2011. He was a faithful employee at Mitek Industries in Saint Charles, Missouri. Even after receiving his Associate’s Degree and working in that field, Jamar never stopped giving his clients a clean cut at Mane Coarse Barber Shop.

Jamar met his true love, Sherri Carter, in 2001 and out of their union was born a son, Jamarion Huffmon. Together they created a loving and supportive homelife full of family trips, shopping excursions, youth baseball games, track and field meets, and great times spent with friends and extended family.

Jamar’s life was always full of exciting activities. Growing up, he participated in several youth sport activities including track and field, dance, baseball, soccer, and basketball. Jamar received numerous awards and certificates in all participated sports and activities.

Jamar leaves many heartbroken family members to cherish his memory: his father and mother, Willie and Barbara Huffmon; life partner, Sherri Carter; son, Jamarion Huffmon; brother, Jelani (Mariela) Huffmon; uncles, William Dotson

Saying goodbye to someone we love is heartbreaking and words can never express the sadness that we feel but the memories that we shared with J-Rock will hopefully bring us all some comfort during these times. I am so thankful for the memories that I shared with J-Rock at the family functions and on the baseball field. Two things we could always depend on; J-Rock eating all of the potato salad and J-Rock being at every baseball game and practice doing his part to teach our boys the game of baseball. When a kid made a good pitch, he would always yell "keep it in the pocket" or the short but loud scream when a kid made a good play or covering his face with his hand when our boys made a bad play. The St. Louis Blue Jays will miss you and all you did for the team. J-Rock is the definition of authentic. He said what he meant and did what he said. He always managed to see the best in people and was never one to gossip. Mrs. Huffmon, Sherri, and Jamarion please know that I am here to support you all in any way as you process this major change in your lives.

J-Rock was a Runner, Dancer and the youngest Hair Stylist that I have known. He was the type of person that Parents and others could find joy. I want to give Blessings and Love to the Family and Friends . "Go Ja-marrrr" as your Dad cheered you on in your earthly race. The Lord has accepted you finish.Dr. Theresa L. Smotherman

I wanted to express my deepest sympathies to Jamar's family and loved ones, on behalf of our team here at MiTek where Jamar was a team member. While I did not know Jamar personally, as a member of our team I know he was special. My heart hurts for his family and close friends. The news of his passing was very hard on our team members working with Jamar in our Fountain Lakes plant, based upon what our leadership shared with me. Our prayers and thoughts go out to his family. I am praying for a peace that surpasses all understanding to cover the hurt and sadness. Sincerely, Mark A. Thom Chairman & CEO MiTek
