Truly saddened by this! He was like a Godfather to my son and I, always came when we needed him. Rest well, Mr. Sutton ❤️

I had the honor of meeting Mr. Luby Sutton for the first time at a gathering at his daughter Krystal's home. Mr. & Mrs. Sutton made me feel like family from that moment on. I was only blessed to see Mr. Sutton a couple more times in passing at Krystal's home. I remember him having items to donate to the homeless, he was so passionate about it and I saw his heart at that time. I must say, I see and hear him all the time through Krystal. Although he is not physically here, he lives on in the lives of those he touched and those he left a lasting impression on as it relates to how to treat others. Sutton family, you are in my thoughts and prayers. Much Love, Tamara Smith
