Willie Lee Huffmon was born February 10, 1946 in Sherrill, Arkansas to the union of Marion and Euretha Huffmon in which four children were born.

Both

parents and two brothers, Benjamin and Samuel preceded him in death. On July 12, 1975 Willie married Barbara Ann Dotson and to this union was blessed with two sons, Jamar (who preceded him in death) and Jelani. Willie was educated in the Pine Bluff, Arkansas Public School District. He attended Merrill High School and graduated in the class of 1965. He would brag and be proud to let you know that he still holds his high school Track and Field record in the 400-meter dash.

Willie was a Vietnam era Veteran who served in the United States Navy from 1965 to 1973. Upon returning home, he worked several jobs before obtaining employment with the United States Postal Service and retired after 30 years.

Willie enjoyed spending time with his sons, attending track and field meets, basketball, baseball and soccer games. He was a devoted member of the St. Louis Blues Track Club's Coaching Staff. He coached all age groups in the Long Jump, Triple Jump and other field events for many years. He enjoyed being with family and friends and was a champion card player; Poker, Bid Whist, Spades, Tunk, Hearts, and Pity Pat, to name a few.

My cousin Willie was my inspiration to work for the Postal Service, right after I separated from the Air Force. Because of his wise counsel, I stayed there and eventually retired from there. I would always tell him how much I appreciated his advice. Even got the chance to work at the station, one time. He was a great and supportive cousin to me, and I'll never forget that. Rest In Love, cousin

I will never forget the Summers we went to Arkansas to stay with Grandma and Grandpa Huffmon. Uncle Willie and Uncle Sam were still at home with them! We walked a little ways, not far to Grandma's brother Uncle/Aunt Tyler and all our cousins that were like our sisters and brothers! Daddy and Mama would take us to see our Stewart family, too! Arkansas hospitality is still the same and some people have moved still showing that hospitality!

I NatashaMurphy, Willie Huffman niece just want to let family and friends know that uncle Willie was the best track and field coach ever. He use to tell me that we going to put them long legs to the test and I ran, jumped hurdles. It didn't matter what I was doing as long as I was going to practice and our games just to be with lil cousin Willie's 2 sons and having fun. Rest easy uncle Willie...

I can remember the day I met Willie, when Jelani and Ivan began the Bridge Program. His eyes lit up as he proudly with much excitement said "Hi, I'm Willie Huffmon, Jelani's Dad. After that, he was FAMILY. I will always remember that first day. RIP Willie. You are in His arms.
