Susie was one of the nicest people I knew. We became acquainted in her travels to/from The Greystone Condominiums in the Central West End. She will be sorely missed, but I know God's got her. Debra Shurn

Susie supported my family through very difficult times. She cared for my daughter Joanie and especially my granddaughter Emma with kindness and patience. When I was feeling discouraged, she was there with understanding and a faith that all would be okay. I will be forever grateful to Susie and will miss having her in my life. Terrie Liberman

Last picture of all the siblings with our big sister Susie and neice Kristi in Milwaukee, with our Aunt Stella and Aunt Ruby Lee. We were only missing our big brother Neal in this picture. I remember how comical you were on this day. Susie had a big heart and was ALWAYS about UNITY. Susie definitely had a glass half full approach, always seeing the good in other...I guess thats where I got that from. The biggest most purest heart I've ever known. A heart of kindness and full of so much love for each and every one of us and our family as a whole and a true example for us all to follow. We miss you Sis and will miss you more and more in the days to come. I pray that the light you were to us will continue to glow inside of us. I will continue to strive daily to obtain your continuous beauty that you always displayed. I love you Sis. Alura (Tisa)

This loss is a devastating one for me because you were my second momma. There are soooo many fond memories we've shared over the 40 years, trips, disciplined, setting the record straight (LOL), surgeries, childbearing, and just moral support over the years, Momma you will be truly missed and appreciated. Thanks for being in my ROCK. Love you to pieces Momma. I'm sending prayers to the entire family. Taundra

Susie participated in my spiritual growth. She was a loyal friend and strong spiritual influence. I'm happy to say when I was baptized last year she flew out to CA to support me and celebrate with me. I love Susie and will keep her in my heart!
