

Carolyn I. Miller

November 3, 1961 - May 6, 2019

Carolyn Inell Miller was born November 3, 1961 to Robert and Josephine Miller in Saint Louis, Missouri. Carolyn's faith was an important part of her life. She accepted Christ at an early age at Abundant Life Fellowship under the leadership of Pastor Matthew Ferguson. Carolyn currently attended Faith Church under the leadership of Pastor David and Nicole Crank. Carolyn loved her pastors and church family. She was a dedicated and faithful steward. At Faith Church, Carolyn served in the following ministries: I-Connect Leader, Growth Track, Intercessor Prayer, Cleaning Ministry and Food Pantry Ministry.

Carolyn was a 1981 graduate of Beaumont High School; she also graduated from St. Louis Community College with a Medical Assistant Degree. Carolyn was always considered a caregiver, as she often gave support to church members, friends and family. She had a gift of knowing exactly what to say to make you know everything would be alright.

Carolyn was employed with Joyce Meyer Ministry and then began a long and distinguished career at Jefferson Barracks Veterans Hospital for twenty-one years, where she served her patients faithfully. Carolyn was a compassionate and devoted caregiver to all of her patients and treated every patient with dignity and respect. She saw her work as a service to God and her patients.

On April 7, 1990, Carolyn gracefully accepted the honor of being the mother to Travis Demond Swink. Anyone who knew Carolyn knew Travis was her greatest accomplishment. Carolyn loved being a mother to Travis and relished in the many special times they shared. Carolyn devoted each day to making sure Travis knew through her words, actions and thoughts that she loved him unconditionally; a special love from her heart and soul, that only a mother and son could share. Just when she thought her love could not go any deeper, Travis granted her the love of her life, a special granddaughter, Zayla Swink. Carolyn knew without a doubt that she was double blessed and often shared sweet memories of her granddaughter with her friends, family and colleagues.

Carolyn was an absolutely beautiful person with excellent values and a love for Christ, her family and friends. Carolyn had a rare quality of loving family and friends enough

to tell them the truth. She would tell it how it was with the understanding that the truth shall set us free. She was always smiling, enjoyed holiday gatherings and often stopped by to check on family and friends. Sadly for us, but lucky for her, God called his earthly angel home on May 6, 2019.

She leaves to cherish precious memories: a loving mother ~ Josephine VanBuren; one loving son ~ Travis Swink; one loving granddaughter ~ Zayla Swink; three sisters ~ Darlene (Paul) Lowery, Latonya Flemon and Tiffany Miller; three brothers ~ Jerome Adams, Larry Miller and Karl (Erica) VanBuren; two step sisters ~ Amber Cole and Pamela VanBuren; two step brothers ~ CarlMichael VanBuren and Gary VanBuren; loving nieces ~ Rashida (Roshion) McKinley, Neekia Danfort, Asueleni Deloney and N'Kechi Glover; loving nephews ~ David Lowery, Laron Lowery, Larry Lowery and Jerome Thomas; a host of cousins, and friends.

“ I knew Ms. Carol for 19 years working at Jefferson Barracks Medical Center. She worked in the lab. Ms.Carol would always share a joke and smile . We had a great time together and she always gave good advice. She will be greatly missed . Her smile I will miss her greatly.
