“ Ms. Renita (Ms. Neet) will be truly and dearly missed by everyone in our family. One of the sweetest women you would've ever known, and confidant to each of our children. She always knew how to make us laugh, and just can't believe she was taken so fast. So glad she is not in pain any longer. May her spirit live on in all those lives that she brought so much joy to. Love you always, Renita....our sincere condolences to her family and friends.

“ Our family was deeply saddened by the news of Ms. Neet's passing. My son started Brown's Delightful Daycare when he was 5 months old. I was really nervous to leave Jaylen with Ms. Neet & Ms. Rose. Jaylen is now 2 & leaving him in the loving care of both ladies was the best decision Jaylen's father & I could have ever made! Ms. Neet was always so good to our son. She spoiled him daily, but most importantly I knew & Jaylen definitely knew that Ms. Neet loved him unconditionally! We will never forget her smile or her laughter. Such a sweet lady! Our heartfelt condolences for the family & friends of Renita Turner.

“ My condolences go out to the entire Turner family. Renita is greatly missed by all the children at Brown's Delightful Daycare. Ms. Neet is what we all called her except at story time when she became Ms.Patty. Renita was a true friend and you could always count on her to be by your side. We worked side by side for eight hours every day and still talked on the phone for a couple hours each night. Playing scrabble and doing the newspaper crossword puzzle was a daily habit for us. I already miss my best friend but knowing she is out of pain brings me comfort. May God continue to bless each and everyone as we all deal with the loss of our sister, aunt, cousin, and friend.

“ Ms. Neet, as I know her for the last six years, cared for my children with no hesitation. My daughter would go straight to her when I dropped her off in the morning and I always joked with her about "spoiling" my baby boy by holding him all the time. I told her she was "the reason why he didn't want to walk." I'm so grateful I had someone that was that campassionate and nurturing. Ms.Neet will truly be missed and always loved by my children and I.
